## What's Happening In The Classroom

### Reading:

**Please continue reading with your child every night! I am very proud of each child in the improvement they are making during reading. Question them on their comprehension after they read it to you. We are working very hard on learning about the Topic and Details in stories. Our main topic this week is Seasons.**

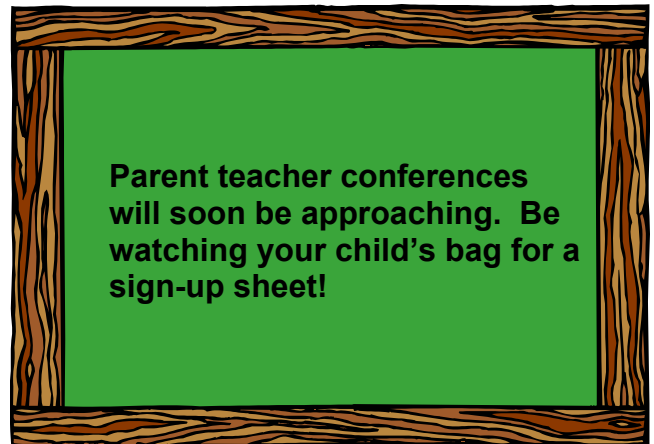

### Spelling:

We had our FIRST spelling Pre-Test today. Every Tuesday we will have a Pre-Test. The kids do not get to study for this test, we just see what they know. IF they get all 6 words correct they do not have to take the test on Friday. They will get to read a book instead of taking the test. The kids have a list of their words in their homework folder and they will bring home on Tuesdays. These should be studied every night. We will be doing activities with spelling words in class and the next test is Friday!

Remember that on Thursday, the kids get out at noon. They will not be feeding the kids lunch that day. Because of this we will have library tomorrow instead of Thursday.

We have been working very hard in math on addition, keep up the good work!

Parent teacher conferences will soon be approaching. Be watching your child's bag for a sign-up sheet!

## From The Teacher:

**Fall book orders are in your child's bag.  
Please return by this Friday, October 4<sup>th</sup>.**

**Bucklin Homecoming is this Friday. Come support the RED ACES!!!**
