

2nd Grade News

March 5, 2010

Reading

We read a great story this week called Thunder Cake. Ask your child to retell this story to you. We also learned how to add -ed and -ing to a short vowel word by doubling the consonant before adding the ending.

Math

We continued on with double digit subtraction with regrouping. We also started multiplying by 10 and counting quarters. Keep working with your child on telling time. This is proving to be hard for us.

Social Studies

We have been talking about transportation in the past and the present this week.

Supplies

We are getting **very** low on our Kleenex supply. Our noses would appreciate it if you could send a box 😊

Next Week

Monday: Hilltop House

Wednesday: Picture Day

Friday: Show and Tell
Dismiss at noon

| monday | tuesday | wednesday | thursday | friday |
