From The Teacher:

May 23rd will be the annual field day that is sponsored by the Bucklin Boosters! The preschool will be a part of this event. The preschoolers will come from 9-2 on this day! They will need to meet us at the track and they will get to eat lunch at school! To cover the cost of lunch each child needs to bring \$2.25 by May 9th. When the date gets a little closer I will send home a schedule of events for parents and family wanting to attend. The preschool will NOT ride buses on this day coming to school or riding home. Each child will be in 5 events and everyone will get a ribbon. The banks in town donate cotton candy and snow cones after lunch! Unless it is pouring rain we will have this event even if it is cool or damp so dress your child accordingly!
