Course Descriptions:

6th ENGLISH

In order to become a competent communicator in the English language, the ENGLISH class will include the teaching of grammar through the use of the Shurley Instruction model and the practice of writing in various formats including fiction, persuasive, technical, and informative using the 6 trait model.

5th, 6th, 7th, 8th MATHEMATICS

The focus of this course is to teach age appropriate concepts under the four standards of math: Numbers and Computation, Algebra, Geometry, and Data using the McDougal-Littell Math textbook and supplemental materials.
